Attendance—if your child is absent, please advise the school. If we haven't been notified, we send a text message daily, if you receive a text, you can respond (it will be a different number each time). This is an automated attendance notification.

Currently we have eight students with 100% attendance for 2023.

As noted below, the minimum standard is 90-95% attendance.

Sadly, we have quite a few students way below this minimum expectation. Please remember if your child misses even 1 day of school per fortnight, this equals a total of 4 weeks of missed days of learning in a school year.

Please come forward and seek assistance if for any reason you are experiencing difficulties in getting your child to school each day. We are all here to assist.

Exciting news

Kirkton (year 3) recently played rugby league with his Kurri Kurri Bulldogs team at half time during the Knights v Dolphins match at McDonald Jones Stadium. It was a very exciting time for him to get to play on the big stage.

Calendar Update

The calendar has been updated with dates we have confirmed for Term 2. This may change, so add the current dates to your calendar, but please watch out for amendments.

Thank You

Thank you so much again to our P and C, student helpers and all who donated the goods or their time to assist at the Election Day Fundraiser on Saturday.

"Be Safe, Be Responsible, Be Respectful and Always Do Your Best".
