

Mac's Memo!

Wow! What an amazing night for Bingo last Friday. A huge school/community effort helped raise over \$1700 for the Year 6 gift to the school. Thank you to everyone who came, supported or collected for the night. They say many hands make light work, and there was certainly no shortage of helpers. Small schools can do great things, and this is proof.

Surveys—1 week to return

Today we are sending home the final survey for the year. These surveys will form part of our new 3 year plan. All surveys are completely anonymous. We are aiming for 100% of Mulbring PS families to complete the survey.

When returning the surveys, please place the completed surveys in the envelope and return them to Mrs Troy. As mentioned, the survey is anonymous but please be sure to have your name marked off as completed, as there's a \$30 voucher at Big W to one lucky family. Also, a lucky child will win two movie tickets.

Remember you only have 1 week to complete and return the surveys. They must be returned by Monday 6th November to be eligible for the prize draws.

Kindergarten Orientation Day

The Kinder 2018 orientation day is fast approaching. If you know of any kinder students who haven't made contact with the school, please invite them to do so. We are really looking forward to meeting formally with all of our new families on Friday 10th November.

Hot Weather

With the warmer days occurring more frequently, it is important to remember school hats, water bottles and sunscreen. Students are also encouraged to put their lunch in the classroom fridges. A reminder, too that school sunglasses are available at the office for \$12 a pair (cash only). In extreme temperatures, we will be having lunchtime inside in air conditioning. We will be utilising our school library on these occasions.

What is Nude Food?- Mulbring PS Nude Food Day- Wednesday 8th November

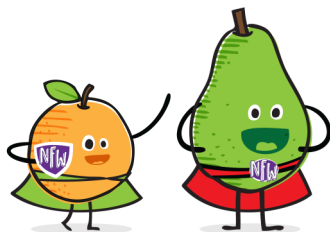

It is simply food that is not wrapped in foil, plastic or commercial packaging. The best type of nude food consists mainly of fresh food, so that it is healthy and nutritious PLUS environmentally friendly. Promoting Nude Food empowers students to make conscious choices about what they eat, and encourages them to think about their impact on the environment (and their health). You might be amazed with how enthused your child can become on this...

Tips for Packing Nude Food Lunches: Try to involve the kids in helping decide what to take. This will help to avoid uneaten foods being thrown out, plus will save your family money as well. Also, remember to praise your child if they do eat something healthy which is new for them. Try to pack the lunches the night before and store in the fridge overnight to avoid the mad rush in the morning. • If your child normally enjoys chips, yoghurt or other pre-packaged snacks, buy these in a larger format and you can decant these into smaller reusable containers or lunchbox. • If your child does enjoy chips, why not try making your own veggie versions using sliced beetroot, parsnip or sweet potato and baking in the oven? • Try to use fruit and vegetables that are in season.
