- ♦ **Lunch Order (pg 7 new summer list)**
 - ♦ **Halloween Disco details**

Welcome to Term 4!

Amazing times at school this term;

Our demountable is almost finished, it really is looking great with new roof, paint and completely renovated internally. It looks so good that we have made a very exciting decision this week to move our senior class permanently into this area of the school. It is a wonderful, large open learning space, ideally suited for the increasing class sizes within our school.

The block at the front of the school will also soon be undergoing some renovations and afterwards we will transform this area into our school library.

Year 6 had a great day with their ‘Business in a Box’. Photos and details page 3. An amount of over \$400 was raised towards the Year 6 gift for the school. Another \$120 was raised from the pizza lunch orders.

In Week 3, from Thursday 31st October until 15th November inclusive, we welcome Miss Laura Meagher to our school for an extended block of teaching on our 3/4 Class. We congratulate Mr Lachlan Hemsworth who has been given a wonderful opportunity to relieve as Teaching Principal at Congewai Public School during this time.

Also, from 1st November to 15th November inclusive, Mrs Kylie Pinchen will be Relieving Principal at Mulbring Public whilst Miss Lennard is on long-service leave. Mrs Pinchen will remain on class throughout this period but will be provided with extra time off class for administrative duties. We welcome Mrs Rachel Williams who will be providing release from face-to-face for staff, and student learning support during this time.

Further, Mrs Troy will also be on long service leave from 31st October to 6th November. Mrs Robertson will relieve in the office during this time, and Mrs Sattler will be here on Mondays.

Term 4 is already beginning to look very busy. The calendar has been updated, please keep an eye on these dates so you don’t miss any of the very important end of year events.

Swap-it survey details are on page 6. There’s a link to fill head to, offering a free drink bottle and ice pack for filling the survey in.

We are fast approaching the end of 2019. It would be appreciated if the few outstanding fees could be finalised asap.

New lunch orders are on page 7 of the newsletter (page 8 left blank).

“Be Safe, Be Responsible, Be Respectful and Always Try Your Best”.

AWARDS PAGE

CONGRATULATIONS - WEEK 10 T3 MERIT AWARD WINNERS

Kindergarten—Charlie A

Note: lunchbox and contents not included in promotion.

Good for kids
good for life

EXCITING TIMES AT MULBRING PUBLIC SCHOOL

All students were very excited to take part in the Sustainability Day. We had great community support also, including a free concert by Ship o Fools doing the Bubble and Supa Squirt Show; the Bee Man talking about bees; Landcare doing some seed balls; Bunnings doing a plant potting activity; Swap It from Hunter New England Health speaking about lunchbox options; and Little Hill Farm presenting a composting workshop.

YEAR 6—Fundraising

Donations of non-perishable items for the Year 6 raffle would be appreciated. If all donations could be sent in to school before November 13th.

Year 6 will also be having a fundraising concert with the band “Iron and Clay” at school on Wednesday December 4th. Further information will follow.

Further, Year 6 would like to thank everyone for their very generous support of the “Business in a Box” initiative. Over \$400 was raised to go towards the Year 6 fundraising. A huge thank you also to Year 5 for assisting in this fundraising initiative.
