

SHOOSH FOR KIDS

Shoosh for Kids is a collaborative effort between the Office of Sport and State Sporting Organisations to promote positive behaviour to members, clubs and associations.

The general rule is if you haven't got anything nice to say, not to say anything at all.

Visit the Office of Sport website to find out more and show spectators and members where you stand on poor spectator behaviour during awareness week, 20 - 26 May. Let's keep kids coming back to junior sport!

STEWART HOUSE ENVELOPES—Return by Friday

Stewart House envelopes are being sent home today. The donations received support the 1700 students from NSW Public Schools who visit Stewart House each year. By placing a small amount (minimum \$2) in the envelope and returning it to school, you go into the prize draw to win a \$4000 holiday to a destination of choice. Please return envelopes by this Friday 17th May, this will allow the envelopes to be forwarded in time.

STEWART HOUSE GOLD AWARD

On Friday 10th May our school leaders, accompanied by Miss Lennard, visited Stewart House to receive our very first Gold Award. The awards are pro-rata for the amount the school (and staff) donated to Stewart House in 2018. We were very excited to receive the award. The leaders also had a very informative tour of Stewart House and have a new understanding of how Stewart House helps.

SMALL SCHOOLS ATHLETICS—FRIDAY 24TH MAY

The Small Schools Athletics carnival will be held on Friday 24th May at Turner Park (adjacent to Cessnock High School). The 8 years and over group will be at the main park, the K-2 (under 8 years) will be on the soccer fields to the lower end of the park. We have been requested to ask some parents (about 3-4) to do canteen duty between 1.30pm to 2.30pm. The money raised by the canteen goes towards helping small schools sports teams (jerseys etc). We would ask that some of our wonderful parents offer their assistance. (Permission notes are being sent home today)

AUSTRALIAN SPORTING SCHOOLS

We were once again fortunate to receive this grant from Australian Sporting Schools which will feature 5 weeks of basketball coaching by a Basketball NSW coach.

MULBRING MINIS:

Our “Mulbring Minis” playgroup, supported by Mulbring P&C, is held every Wednesday from 9:30am-10.30am in the school library.

Thank you very much to Natalie Hunter who is leading Minis for us this year. You can see some great Minis artwork on display in the library.

Minis is for children 0-5 and their parent/s. Tea/coffee will be provided for parents and if you’d like to bring a snack/drink along for your child/children this is encouraged.

Thank You

A huge thank you goes out to Mr Todd Herbert (Jake & Leah's dad) for stitching up our sand pit cover. The cover looks amazing and now we can keep any critters out of the sandpit. We do really appreciate the help of our parent community.

Class Page

K-1,2 has settled back into the school routine and everyone is looking forward to another exciting term of learning. One of the units of work we will be covering is “identity”. Students will be learning how their likes and aspirations help form their individual identity. As part of this unit of work the students will be learning how and who to ask for help. Students will also be presenting and talking to the class about something that is important to them. Further information regarding the presentation will be sent home this week.

The students were very excited when the Mulbring Fire Brigade visited the school to talk about fire safety. A big thank you for Campbell and Chris for taking the time to talk with the students.

This term we have also started to use a new spelling program in the school “Sound Waves”. The program supports a synthetic phonics approach with engaging interactive learning activities. The students are enjoying the learning experience and are being empowered with the skills and strategies to become better spellers and readers.

YEAR 3/4 - This week in 3/4 we have welcomed Miss Denise Smit into our classroom. Miss Smit is in her final year of University at Avondale College, and will be teaching alongside Mr Hemsworth until the end of week 7.

We have also looked at fractions - students have collected lots of objects from around the classroom and playground, such as fruit from the orchard or different coloured textas, and determined the fraction of each group. 3/4 has begun our new unit of work on identity, which has included finding out the history of our names, creating acrostic poems and assessing how we react to different situations. Below are some acrostic poems that we have created about ourselves.

Year 5/6— Stage 3 have enjoyed a positive start to Term 2 with the holidays now a distant but fond memory. We have been working on including a range of literary devices into our writing such as ‘alliteration’ and the influence these can have on your audience.

The focus from our MAPPEN unit for Year 5 & 6 this term will be on Ethics and Emotions. Students will consider ethical dilemmas as they learn about the values of honesty, respect and loyalty. They will also understand and prepare for the social and emotional changes that they will experience including building a repertoire of strategies that support their sense of self-worth and self-being. Good luck to all Year 3 & 5 students that will be participating in NAPLAN tests during week 3, with all your hard work and preparation we are confident you will succeed in doing your best.
