MULBRING PUBLIC SCHOOL

NEWS - 22nd March, 2021

Very Exciting News—We are now permitted to once again have parents on school grounds. Our next whole school assembly is Friday 30th April (Term 2) and you are all welcome to attend. We do ask that you still be mindful of social distancing, and keep 1.5 metres apart. Sanitiser will be available near the weather shed and it is required to QR code in when entering the school. We also request that if you are coming for assembly, you bring your own chair.

If any parents/grandparents/friends would like to volunteer for helping in the classroom (reading groups, art, sport etc) please advise the office so a roster with mutually suitable times can be organised.

Attendance:

Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just... they miss weeks per year and years over their school life

1 day per fortnight = 4 weeks = Over 1 year missed

1 day per week = 8 weeks = Over 2.5 years missed

education.nsw.gov.au

NAPLAN— Practice test—An online practice test will take place tomorrow for all students in Year 3 and 5., in preparation for NAPLAN testing in Term 2, Weeks 4 and 5.

To all students in Years 3 and 5,

This test does not assess all of what makes each of you exceptional and unique.

The people who score these tests don't know that some of you love to sing, are good at drawing or can teach others how to use a computer program. They have not seen the way that some of you can dance with grace or speak confidently to a large group. They do not know that your friends count on you to be there for them when they are sad. They don't know that you participate in sports, help your Mum and Dad or that you play with your little brother, sister or cousins. They do not know that you are caring, thoughtful and that every day you do your best. Because these attributes cannot be tested.

The scores you get from this test will tell you how you did on that day, but they will not tell you everything. They can't tell you that you have improved on something you once found difficult. They can't tell you that you brighten up your teacher's day. They can't tell you how amazingly special you are.

So come to school ready to do your best for the NAPLAN test and remember there is no one way to 'test' all of the wonderful things that make you, YOU! (not our words but very appropriate)

TELL THEM FROM ME SURVEYS— Once again, our students in Years 4,5 and 6 will be participating in these surveys on two occasions throughout the year. If you do not wish for your child to participate, please return the included form.
