

MULBRING PUBLIC SCHOOL NOTE

Library Borrowing

Library borrowing will recommence next week. We are asking all students to have a good look around at home for any library books they may have inadvertently forgotten to return. We have a list of outstanding books, we will send this home next week. When library borrowing day is notified, please remember to send in a library bag (any bag or a pillowcase) so our books can be safely transported between home and school.

Regional Cross Country

Congratulations and best wishes to Jonte, Quinn and Jack.P for making it to Regional this Friday. They're not only representing themselves and Mulbring but the Cessnock Zone schools. A great achievement!

Additive Thinking Strategies

Once again, this week, Mr. O'Connor is leading staff and students in learning about Additive thinking strategies and skills. We welcome Miss. Ure to assist us with COVID Learning Support groups whilst Miss. Meagher capably teaches 2/3/4.

Year 6 Talent Fundraiser

Further details will be provided but set aside Friday 1st July to attend. I hope our students are working on their acts.

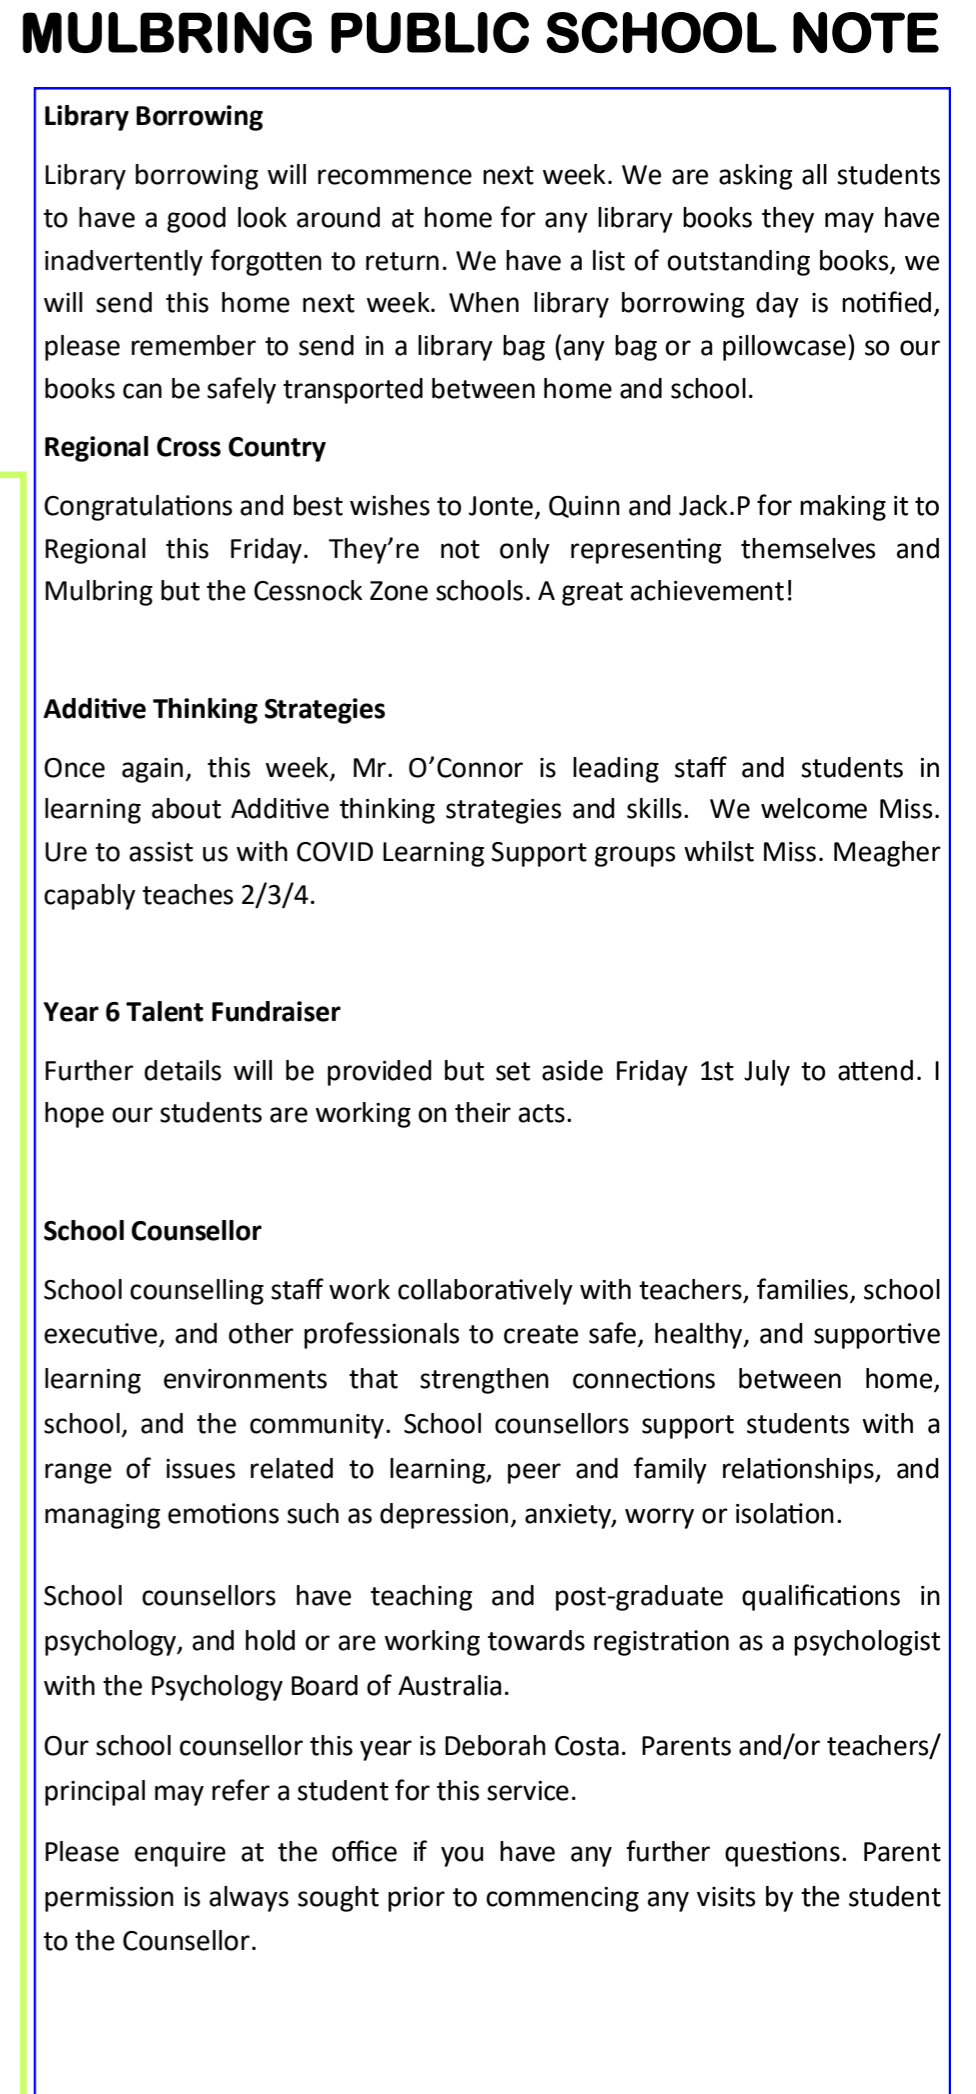

School Counsellor

School counselling staff work collaboratively with teachers, families, school executive, and other professionals to create safe, healthy, and supportive learning environments that strengthen connections between home, school, and the community. School counsellors support students with a range of issues related to learning, peer and family relationships, and managing emotions such as depression, anxiety, worry or isolation.

School counsellors have teaching and post-graduate qualifications in psychology, and hold or are working towards registration as a psychologist with the Psychology Board of Australia.

Our school counsellor this year is Deborah Costa. Parents and/or teachers/principal may refer a student for this service.

Please enquire at the office if you have any further questions. Parent permission is always sought prior to commencing any visits by the student to the Counsellor.

AWARDS PAGE
