Three extra special news grants for Mulbring Public School

1. **Tour de Cure—Monday 29th October**

Tour de Cure visited our school on Monday 29th Oct. Thanks to the generosity of the Commonwealth Bank, and much to our surprise, they gave us a cheque for \$2500. This is to be used in accordance with their theme Be Fit, Be Healthy, Be Happy. This was featured in an article in the Cessnock Advertiser, along with our leaders collecting the cheque. Students are pictured with the bag they received.

2. **Schools Eco Grant**

We were even more fortunate to receive the State Government Schools Eco Grant. This grant is for \$3500 with the theme Zero Heroes, moving towards zero waste, and also improving the environment—the back of the main school building. Mr Carroll (Mia C's dad) helped out with this grant application and we say a huge thanks to him.

3. **Life Life Well**

We received a live life well grant for \$500 towards healthy lifestyle, healthy living. We will be using this for promotion of healthy eating and healthy lifestyles.
